

# ASSIGNMENT 1

Viknesh S

ROLL NO:73771914193

## QUESTIONS:

1.Create registration page in html with username, email and phone number and by using POST method display it in next html page.

2. Develop a flask program which should contain at least 5 packages used from pypi.org

**Note:-** Following application contains (Flask , render\_template ,url\_for, redirect, request)

So both the questions have same answer

## Source Code:

### App.py

```
from tkinter.tix import Form
from flask import Flask ,render_template,url_for,redirect,request
app = Flask(__name_)
@app.route('/')
def index():
    return render_template("index.html")
@app.route('/success/<name>/<phone>/<email>')
def success(name=None,phone=None,email=None):
    return " <h1>Registered Successfully</h1><h2>Your Details Are:-</h2>  {}
<br>{} <br> {} ".format(name , phone ,email)
# '{} {} {}'.format(firstname, lastname, cellphone)
@app.route("/login",methods =['POST','GET'])
def login():
    if request.method == 'POST':
        user = request.form['name']
        email = request.form['email']
        phone = request.form['phone']
        return redirect(url_for("success", name = user ,phone = phone ,email = email ))
```

else:

user = request.args.get("input\_name")

return redirect(url\_for("success",name=user))

if \_name\_ == '\_main\_':

app.run(debug=True)

## login.html

```
1 <!DOCTYPE html>
2 <html lang="en">
3
4 <head>
5   <meta charset="UTF-8">
6   <meta http-equiv="X-UA-Compatible" content="IE=edge">

35 }
36
```

## Output:-

The screenshot displays a web browser window with a single tab titled "Registration page". The address bar shows the file path "C:/Users/sumit/vcode/Login.html". The page content is a registration form centered on a solid green background. The form is a light pink rounded rectangle containing the title "REGISTRATION PAGE" in bold black text. Below the title are three input fields, each with a label above it: "ENTER THE NAME" above a field containing "NAME", "EMAIL ADDRESS" above a field containing "EMAIL", and "ENTER PHONE NUMBER" above a field containing "PHONE NUMBER". A blue "SUBMIT" button is positioned at the bottom of the form.

Registration page

File | C:/Users/sumit/vcode/Login.html
